

Network Integration Systems

COMPANY PROFILE

DISTRIBUTION – DATA COMMUNICATION – NETWORKING PRODUCTS

SHC is a profitable, totally Australian owned and operated, service vendor which has provided distribution of communication equipment to the Data and Telecommunication industries for over 25 years.

SHC has offices in Sydney and provides distribution of networking products through an established network of customers in each state throughout Australia.

SHC client base includes Banks, Building Societies, Universities, Airlines, Mines, Insurance Companies, Major Industrial and Commercial Companies in a variety of industries. All of these organisations have a common objective: to deal with an Australian Company with the strength, reliability, integrity and expertise needed to keep their communication networking system operational by providing efficient distribution and associated services.

COMPANIES WITHIN THE SHC GROUP:

SHC CABLE AND CONNECTOR SALES PTY LIMITED

Formed in 1988 to serve as a stocking distributor for wire management products for the data and telecommunication industry.

OBJECTIVE

To provide the customer with a high quality, economically priced connectivity product, which offers simple solutions for high speed networks.

NETWORK INTEGRATION SYSTEMS

Formed in 1993 to complement **SHC** Cable and Connector Sales Pty Limited, and specifically dedicated to supply a total solution of products involved in the networking industry.

OBJECTIVE

To provide a complete set of integrated products, services and expertise. This architecture is end to end, standard based, and specifically designed to target the upper top end of the network management environment.

“The synergy of the merger brings together two companies, who share a common vision of open standard-based network solutions, and will offer products and technical skills, creating a platform to smooth the transition from current enterprise networks to a new generation of high performance networks”.

SOME OF SHC CLIENTS:

AUSTRALIAN SECURITIES EXCHANGE	B&D DOORS
DATA #3	EDS AUSTRALIA
FUJITSU AUSTRALIA LTD	INTEGRAL ENERGY
MACQUARIE BANK	NSW DEPARTMENT OF PRIMARY INDUSTRIES
NSW FIRE BRIGADES	NSW LOTTERIES
ROADS AND TRAFFIC AUTHORITY	TELSTRA
UNIVERSITY OF TECHNOLOGY SYDNEY	OPTUS

SUMMARY

The cornerstones of the company have been built on Integrity, Service and Reliability.

S.H.C. is confident that it has the in-house technical capability, management skills and dedication to ensure customer satisfaction in all areas of networking.

S.H.C. has always been a quality conscious company, having inbuilt quality procedures in its standard operation structure since its inception in 1981.
